Re: Thursday LLC v. DNVB, Inc.; Index No. 20-cv-9142

Dear Judge Hellerstein:

Our office represents defendant DNVB, Inc. ("DNVB") in the above referenced matter. We write to request that the status conference set for October 15, 2021 be adjourned *sine din*. This request will not affect any deadlines in the case.

As discussed during the parties' September 3, 2021 initial conference before the Court, the October 15, 2021 status conference was tentatively set for the purposes of holding a settlement conference, if the parties so-desired. While the parties have exchanged initial discovery requests, limited document production has taken place to date. DNVB does not believe that settlement discussions will be fruitful at this time until a threshold level of discovery has been exchanged. We have conferred with Plaintiff's counsel and they do not object to DNVB's request.

In light of the foregoing, DNVB respectfully requests that the October 15, 2021 status conference be adjourned *sine din*.

Respectfully submitted,

Wilson Elser Moskowitz Edelman & Dicker LLP
